Dear Customer/Friend/Supplier,

This letter is to formally advise you that I have, reluctantly, come to the decision to cease trading in the mineral business. The decision was, in fact, taken early in June and those in the know will appreciate that at that time my health had begun to deteriorate. I hasten to say that this is no longer the case.

I have also decided to sell the house, etc. and find somewhere smaller, Jeremy is at boarding school so the house is much too big for one person. Hopefully, I shall find somewhere in Cornwall and try to start a completely new life. Needless to say I shall still look forward to seeing 'old' faces wherever I go.

As everyone knows I am holding vast stocks of medium to top grade material (Dick weeded out all the 'grot' two or three months before he died) and I am wholesaling this off to interested dealers. This does not mean to say that I am no longer open to collectors who cannot afford to buy in bulk!! A letter or telephone call, on the Answerphone, giving dates of availability, should anyone wish to make an appointment, would be appreciated.

As far as the PRIVATE COLLECTION is concerned this is NOT FOR SALE but I am negotiating for it to be on LOAN and on view to the public in the not too distant future.

I am really sorry to have come to the decision to discontinue the business but after nine months of 'hard slog' I can assure you that the decision was not made lightly.

I sincerely hope that I shall have the pleasure of seeing many of you at the main SHOW of the year and, at this stage, offer my services to any dealer who would like me to 'stand in' for them at the Show.

I take this opportunity to thank you all very much for your custom and help in the past, both to Richard and to myself.

Yours very sincerely,

Richard B

RICHARD W. BARSTOW MINERALS

As many of our valued customers already know, owing to ill-health, we virtually ceased trading after Christmas 1984. The attached listings are compiled from the specimens we still have in stock, and the list will be open until the end of August (31st) 1985.

Any specimens still remaining at that date will be put up for public auction at the Riverside Restaurant, Calstock, Cornwall - viewing during the afternoon of Saturday 21st September - the Auction to take place on Sunday 22nd September 1985.

All specimens on this list are subject to $\frac{1}{3}$ (one third) discount.

I would like to thank everybody for their past support and hope that I will meet at least a few of you when I visit the London Gem and Mineral Show in 1986 (as a Viewer, not as a Dealer).

ORDERING INFORMATION

Mail orders are promptly filled and despatched on a 7-day examination basis, subject to approval. Immediate refund is guaranteed on return of any specimens in good condition.

Please quote the name and number of the specimen/s required and enclose International Money order, Postal Order /Cheque with your order. All prices inclusive of V.A.T. No charge is made for postage and packing, except for overseas customers, and postage over 75p.

We reserve the right to make slight substitutions if necessary, unless advised to the contrary.

We hope that we may be of some service to you.
